

ICRIS'07

The International Symposium Organized by
Institute for Chemical Research (ICR), Kyoto University

The Science and Technology of Well-Controlled Polymer Assemblies

June 11 – 13, 2007

Kyoto (*Shiran Kaikan of Kyoto University*), Japan

Scientific Sessions:

- A. Synthesis/Design of Polymers and Their Assemblies
- B. Polymer Brushes and Thin Films
- C. Structure and Dynamics of Polymer Assemblies

Organizing Committee (ICR, Kyoto University):

T. Fukuda: Chairperson
F. Horii T. Kanaya H. Watanabe S. Yamago
H. Kaji K. Nishida Y. Masubuchi M. Tsuji Y. Tsujii

Invited Speakers:

Takuzo Aida	University of Tokyo (Japan)
Alexandru D. Asandei	University of Connecticut (USA)
Nitash Balsara	University of California (USA)
Michael Buback	Universität Göttingen (Germany)
Tito Jose Bonagamba	Universidade de Sao Paulo (Brazil)
David Bucknall	Georgia Institute of Technology (USA)
Masao Doi	University of Tokyo (Japan)
Takeshi Fukuda	ICR, Kyoto University (Japan)
Fumitaka Horii	ICR, Kyoto University (Japan)
Tsunehisa Kimura	Kyoto University (Japan)
Francoise Laupretre	Centre National de la Recherche Scientifique (France)
Yuichi Masubuchi	ICR, Kyoto University (Japan)
Krzysztof Matyjaszewski	Carnegie Mellon University (USA)
Koji Nishida	ICR, Kyoto University (Japan)
Shinichi Sakurai	Kyoto Institute of Technology (Japan)
Atsushi Takahara	Kyushu University (Japan)
Takashi Taniguchi	Yamagata University (Japan)
Junji Watanabe	Tokyo Institute of Technology (Japan)
Wen-li Wu	National Institute of Standards and Technology (USA)
Shigeru Yamago	ICR, Kyoto University (Japan)
Tsutomu Yokozawa	Kanagawa University (Japan)
Wei Yu	Shanghai Jiao Tong University (China)
Shin-ichi Yusa	University of Hyogo (Japan)
Bin Zhao	University of Tennessee (USA)
