# Shanghai-Kyoto Chemistry Forum 2024

**Date:** November 29 (Fri), 2024

**Time:** 13:30~17:00

**Venue:** CB-215 and CB-217, Uji Campus, Kyoto University

**Chief Organiser:** Motonari UESUGI, Yasuhiro OHKI (ICR, Kyoto Univ.)

In 2019, an On-site Laboratory of ICR: the Kyoto University Shanghai Lab has been established at Fudan University in Shanghai, China. To commemorate the 5th anniversary of the establishment of the Kyoto University Shanghai Lab, we will host the 4th Forum at the Uji Campus, Kyoto University, inviting faculty members from Fudan University. Fudan University and Kyoto University (ICR and iCeMS) will present their research results in the fields of new materials, energy conversion, and chemical biology, foster exchanges between the two universities, and explore effective resources and research collaboration.
